Faces

Look around you. Everywhere there are faces: faces of people, faces of buildings, and even faces of ideas. The faces are a kaleidoscope, patterns and colors shifting with light and time of day. Events occur with people's faces in the foreground; their features folded in thought or sparkling with smiles.

The faces of our campus change quietly. Every season the trees grow taller and thicker, while, with fading paint and tiny cracks, the buildings endure a never-ending cycle of students. Newer faces decorate the old as gifts from graduating classes are added: a clock, a map, a shiny oilwell.

Who did we catch on this page? Reflections of people's thoughts sneak into their eyes. Faces belong to people, who are dreaming and wondering, laughing and whispering — finding various ways to fill their days. Within the crowds in hallways and outside, there are faces meeting each other, to smile and say "hello."

The faces of school days are splashed with color: red and blue, green and orange, yellow and pink. Blossoming at noon in the quad on dresses and shoes, and at night in the stadium on players and spectators are the hues of daily life. We move in the moods that colors create.

Remember formals and football games. Remember classroom hours of scribbling notes. Recall the weight of textbooks, the necessity of meetings, the significance of promises. There are moments that may be forgotten in the face of coming years, but some moments of 1968 and 1969 the ORACLE has captured forever.

Seniors Earn Awards For Academic Achievement

Besides education, students seek awards which give encouragement in academic, vocational, and citizenship training. The National Merit and the Bank of America Awards honor students with scholastic aptitude in math-science, vocational, liberal and fine arts. The Harry Coffee Award praises those boys who show outstanding performances in the field of sports. The Daughters of American Revolution and the Soroptimist Awards are presented to girls who excel in leadership, service, and citizenship.

TOP TO BOTTOM: Kim Stockton, Harry Coffee Award for Basketball; Linda Loomis, Daughter of the American Revolution Good Citizenship Award; Sandy Hiner, Soroptimist Award.

Senior class advisors, Mrs. Schasteen and Mr. Hough, pause while debating the pompon sale program.

Buttons, Pom-Pons and Farewells Highlight This Year's Senior Class

Senior buttons, anybody? Council members hotly debated the choice of design for the '69 button. One council project, in addition to the senior class dance, was selling blue and white pompons at basketball games. Once again the traditions of farewells and graduation are observed. Seniors' last weeks at BHS are filled with studying for tests, talking with friends, and signing Oracles. Celebrations are gay, but also tinged with sadness.

Senior girls decorate the front row of a class council meeting as they listen intently.

Elizabeth Merson

Classes are the units in which students move. Classes define four collections of people: curious freshmen, confident sophomores, imaginative juniors, impatient seniors. Here are the faces of those who work and those who play. Here are the watchers, the seekers, the talkers, the thinkers. Here are gathered the people of BHS. . . .

Juniors Arrange Card Stunts and Prom

Card stunts supervised by the Junior Class at football games gave spectators a chance to participate in half-time entertainment. This Junior Class project is the only one of its kind at any Bakersfield school. The juniors also held a pickle sale before the Porterville High

game and sponsored the after-game dance, "Pickle the Panthers." Designing the sets and planning the program for the Junior-Senior Prom were the concerns of junior council. Tradition was abandoned this year, as the big event was held in the Civic Auditorium for the first time.

Action Keynotes Sophomore Activities

An older and more capable Class of 1971 demonstrated its renewed spirit in the traditional Sophomore Class magazine sale, its main money-making project. The council also planned several noon sales and one dance which had a "mystery" motif. At Christmas, the council as a group caroled at various rest homes

throughout the Bakersfield vicinity. Profiting from their experiences last year, the council learned how to hold the class together and to govern it well. These organized activities are hopefully demonstrative of future excursions planned by the Sophomore Class.

Varied Activities Spark Frosh Spirit

In addition to the traditional cleaning of the school seal, the Freshman Class Council originated several projects as it launched its high school career. A successful sucker sale preceded the "Lick the Stars" dance. The appropriate title of the dance applied to the sucker sale and also to the North High

football game. A well-organized collection of canned foods for Christmas baskets gave the council members a chance to demonstrate their representative ability and gave the freshman class as a whole an opportunity to demonstrate its spirit and strength of participation.

Academics

Kathy Van Zandt

The faces of teachers are genial, pensive, hopeful, facetious. They explain, emphasize, and encourage; they initiate exchanges of ideas. For a little time they hold the attention of students, for a little time they can be bridges between ignorance and knowledge. School is where meetings of minds take place, because here there are those who want to teach, and those who need to learn. . . .

Trustees Strive for Scholastic Enlightenment

The efforts of the Board of Trustees are directed toward assisting teachers to educate people. The board consists of five members who approve the policies for governing the Kern High School District. Chief executive officer of the district is the Superintendent, in whose office all educational and business functions are handled.

Mr. Kenneth Robesky Acts As New Principal of BHS

As a strong, yet compassionate administrator, Mr. Kenneth Robesky, the first graduate of BHS to become its principal, hopes to achieve total involvement with administration, faculty, and students. His dream is for students to realize that BHS is *their* school, and in this realization he feels that Bakersfield High School will develop into a finer instructional facility.

Assistant Principals Establish Educational Programs for BHS

Mr. Jack Trout
Assistant Principal for Administrative Services

Mr. Bill French
Assistant Principal for Pupil Personnel Services

Serving directly below the principal is a triumvirate of administrative powers, the three assistant principals. The Assistant Principal for Administrative Services, who this year is Jack Trout, acts for the principal in his absence. Bill French, in his capacity as Assistant Principal for Pupil Personnel Services, supervises the counseling staff and acts as the director of the summer school program. Organizing classes and choosing textbooks are the jobs confronting Robert Gardiner, Assistant Principal for Curriculum.

Directors Link Administration and Student Body

This year three staff members were in charge of student activities, finances, and testing. Mr. Robert Otterness supervised extracurricular activities such as dances, organizations, and student government. Mr. Al Dennis guided the use of student body funds. Dr. Elvin Hedgecock planned the group testing program and supervised the placement of students. All three directors served as important links between the student body and administrative departments of the school during the year.

Industrial Arts Offers Manual Job Training

By simulating on-the-job conditions, industrial arts courses enable students to plan projects and to become skillful with their hands. Class activities include furniture design and construction, and automobile repair. A course of work in plastics was introduced this year. Those who major in industrial arts are provided with valuable training in direct preparation for future jobs.

In response to a changing society, U.S. History classes are placing emphasis on the contributions and culture of Negroes. The department is continuing a program this year which coordinates classes in English and social studies. They are also initiating an experimental course in which the students answer questions in a search for the reasons and principles underlying government.

Language Classes Widen Scope of Pupil Knowledge

Math and Science Stress Fundamental Processes

Mathematics students are exploring a world of numbers and lines by using an orderly process of thought. X is the unknown quantity; its values are uncovered systematically. Once learned, the basic skills of working problems have many practical applications. Problem solving is encountered in life sciences; it is vital to chemistry and physics. By stressing underlying facts and principles, science teachers enable students to understand the fundamental processes of life.

Clerical Workers Promote Efficiency at BHS

Secretaries synchronize the relationships between high school counselors and parents. They keep daily records of absences, which inform parents and administrators of a student's over-all attendance. By making conference appointments, relay-

ing important messages, and serving as general reminders, the secretaries insure more concentration by counselors and administrators on students' problems. Their services promote the efficiency of school operations.

Executive Board Create

This year's officers want to thank the teachers and students for their support, for without everyone's support and cooperation a student government cannot function. Throughout life, any idea or opportunity must be worked for if it is to be successful. Bakersfield High School has become the great institution that it is because many people have worked countless hours to build a school of which we can be proud. We would like to thank all those people since 1893 who have helped to make 1968-1969 a fantastic success. We hope we have helped to leave a school of which those students following us can also be proud.

Foreign Exchange Student

Bakersfield High School is a great school—one in which I am proud to be a student. I am so grateful for the kindness and friendship of both the faculty and students of B.H.S. My year in the United States, particularly in Bakersfield, has been one of the most exciting experiences of my life. I have met so many fabulous people, who have made my year here a real success. It is going to be so very hard for me to leave, but everyone and everything about this country will be going with me in my thoughts. After completing my college education, I hope to be able to visit this wonderful country again, especially to see my American family and friends—people I will never forget.

It is difficult to put into a few words the happiness this year has brought me, but . . . thank you to all who have made my senior year at B.H.S. so rewarding for me.

It has been a privilege to be in Bakersfield and at BHS. This is the most rewarding experience that I have ever had. I have liked all my classes and teachers and I liked to work in the Student Store. The first football game I saw was here at BHS. I did not think much of football in the beginning, but I liked it more and more each game I saw. (We play soccer instead in Norway.) I did not speak much English the first part of the year, but everyone helped me so I think that it went very well. I would like to thank all who have made this year so wonderful for me.

Yell Leaders Inspire Driller Enthusiasm

The BHS yell leaders won an outstanding rating at the annual Squaw Valley workshop in the summer of 1968. Further proof of their excellent performance was exhibited at games and rallies this year. Aiding the five girls with their routines were

Russ Holland and Janet Wall, Danny and Dotty Driller, who unified the rooting section and encouraged participation by leading all yell. These seven students portray the essence of the BHS tradition of spirit

Varsity Song Leaders Kay Freestone, Janice Tapiin, Pat Mastagni, Pam Mastagni, and Vicki Page produced a successful season of spirit with their dance routines, which were done to the beat of the Pep Band. The song leaders attended basketball, football and wrestling, and inspired enthusiasm in the crowds.

Song Leaders Attain Honors at Squaw Valley

At Squaw Valley this summer the song leaders proved the excellence of the BHS spirit squad; the girls returned with an honorable mention award. The talent of these girls, working together as a smooth team, was shown at all games. The song leaders performed new routines to old and new songs, the most popular of which was "The Stripper." At breakfast and after-school rallies song leaders aroused spirit with original skits. Finally the song leaders boosted the confidence of the athletes by sending them letters and candy each Friday before the games.

Apprentice Song and Yell Leaders Boost Campus Pride and Morale

The apprentice spirit squad, composed of twenty junior students, gave whole-hearted support to Sandabs, Bits and JV's. The group was led by Gary Lee, who is the first boy yell leader the school has had since the 1940's. The apprentice leaders performed at pre-varsity games and at rallies. They helped send spirit messages and candy to the athletes to boost their confidence. Rehearsing new routines and participating in the drive to arouse student spirit gave the apprentices practice for possible varsity positions next year.

EB Week Creates Campus Enthusiasm

Driller enthusiasm was high during traditional EB Week. On Monday, signs and posters promoting spirit appeared in the quad and many students wore rooter ribbons. Every fifteenth person who said "Beat EB" to a cheerleader received a sucker. On Friday the pep band played for a noon rally and an after-school exchange rally. EB cheerleaders led some of the songs and yells and Coach Briggs gave a pep talk. To add to the excitement and competitive spirit, the Miss BHS elections were held this week. At half-time during the game, Vicki Page was announced as Miss BHS. Despite the fact that it started to rain and that BHS was losing, Driller fans stayed to cheer to the end.

BHS Honors Queens At Football Events

Football games traditionally honor the recipients of the Carnival Queen and Miss BHS crowns. The Carnival Queen is chosen by the student body to reign over the Football Carnival.

Probably the greatest honor for any BHS coed is the title of Miss BHS. Candidates are nominated by campus clubs, and the students vote on the final selection. Miss BHS is the official school hostess representing BHS at many social events.

Following her announcement as Carnival Queen, Kay Freestone beams radiantly for the photographer.

Executive Board Presents Typical Coed Dance

Sally Cunningham
Miss Typical Coed

One of the first activities welcoming spring was the annual Miss Typical Coed Dance, presented by the executive board. The theme this year of the girl's date, semi-formal was "The Sham Rock." Highlighting the evening was the election of Miss Typical Coed, ideal girl at BHS, who was voted upon at the dance. Vying for the title were Susan Lentz, Jean Langston, Candee Lew, Pam Bell, and the winner, Sally Cunningham, all nominated by the executive board. Sally was presented with her title during the dance to climax a memorable evening for both her and the executive board.

Athletes Honor Queens

Royalty reigned over the many yearly activities of both the Block B and Circle B societies, as each club elected a girl of their choice to represent them as their queen. The Varsity lettermen this year selected senior Patty Kelly as the Block B queen, while Circle B elected junior Dana Bible as the Circle B queen.

IRC Presents Christmas Formal

Elegant couples were enchanted by the festivities of the Inter-Racial Council's "Kaleidoscope Christmas." The IRC mixed the old with the new at this year's Christmas Formal by featuring unusual lighting effects and sparkling decorations, including flashing strobe lights, several Christmas trees, and sprays of mistletoe. Couples socialized, sampled punch and cookies, and danced to the music of the "Lighter Side."

ear for Fine Arts

One of the biggest aspects of student life at BHS is the fine arts program. BHS has one of the best high school fine arts departments in the state. This year's art, drama, music, and dance productions reflect the high quality of the department. Art students displayed their work every month at the library art gallery. The senior play, "The Playroom," and the student body play, "Inherit the Wind," were produced after much planning and effort. Music students combined their talents to produce the Band Concert, the Chamber Orchestra Concert, the Spring Choral Concert, and the Spring Concert.

Wasn't the EB-BHS basketball play-off astonishing? Mirrored in the players' faces was the strain and glory of grappling for the ball. There were other teams too—track, baseball, swimming—whose members pulled together all the way to the finish line. There are moments of the 68-69 sports season that no one can forget.

The 1968 Driller Football Squad was physically the smallest varsity team at BHS in the last ten years. But as the season progressed, the team showed its desire for victory and its ever-present spirit and hard-hitting action. The lack of previous years' physical strength was no great obstacle as the Drillers were constantly harassing the opposing teams. Driller standouts this year included seniors Louis Diaz, Kim Stockton, Donovan Daniels, and Phil Tumblin. As always, a positive team effort was the formula for Driller victory.

The Bakersfield High School Junior Varsity Roughnecks consisted of many inexperienced young football players this season, according to head coaches Vince Sakowski and Joe McDonald. Although the team's season record showed very little success, with two wins and six defeats, coach Sakowski felt that the over-all progress and hard work of the team this season was outstanding. Both coaches agreed that the majority of the freshmen, sophomores, and juniors on this year's squad were boys that came out for the first time. Outstanding players this season included Theopolis Bell, Frank Chapman, Tyree Toliver, John Pacciorini, and J. R. Williams.

Although the Roughnecks' offensive unit hasn't come to its prime, the defensive team is always harrassing the opposing runners.

The Bakersfield High School B-class Sandabs were among the top finishers in their division this season. Coach Mosconi's Sandabs finished in second place behind a determined North High squad. The team showed a great deal of drive and improvement as the season progressed with many outstanding prospects for varsity football. Coach Mosconi's squad consisted of seventeen freshmen, twenty-seven sophomores, and six juniors. Outstanding players of this year's team included quarterback Jon Crosby, fullback Charles Scott, end Robert Sherwood, punter Robert Goin, and Ken Sutton and James Johnson at guards. Head coaches Marvin Mosconi and Walt Burrows both agree that future Driller fans will be watching these unknowns of today on the gridiron of tomorrow.

Efforts to Assure Successful Seasons

Many people believe that one's lack of physical size also determines his ambitions and individual qualities. The 1968 C-class Bits proved to their opponents that they had more than enough courage, ability, and substantial pride to completely demolish the opposing hopes of victory. Sometimes under tough odds, these spirited young men always upheld the clean, hard-hitting action that Bakersfield High has been noted for through past years. Coach Embrey felt that many of his players demonstrated future Driller potential.

Harriers Establish Long Distance Running Abilities

The 1968 Bakersfield High School Cross Country Squad had an off-year this year but holds a promise of good things to come. The varsity harriers will lose one of the best runners in BHS history with the graduation of John Caldwell. Caldwell showed tremendous improvement over last year as he placed fourth in the district meet and tenth in valley competition this year. Coach Cowles adds that the team will miss the backup strength of Leroy Degrate, Benny Blair, and Jose Flores. Fine performances were also turned in by Freshman, Sophomore and Junior Varsity teams.

Driller Wrestlers Relinquish No. 1 State

The 1969 Driller Wrestling Team continued to roll this year by winning the Antelope Valley, the Fresno State College, and the Bakersfield College Tourney championships. The Drillers capped off a fine season by finishing as runners-up in the tough valley tourney.

Leading the team to its many victories this year were seniors Rich Alvarez, the first three-time valley champion in the history of Bakersfield High; Chuck Peterson, two-time valley runner up at 138 lbs.; Billy Herrera at 112 lbs.; Robert Maldonado at 120 lbs.; Ygnacio Espinoza at 127 lbs.; and Dave Batch at 191 lbs. All these seniors, along with underclassmen Tony Serros at 103 lbs. and Kenneth Domino at 154 lbs., were able to place in the valley finals.

The Driller basketball team finished the 1968-1969 season in a tie for first place in the SYL and with second place honors in the Valley Tournament. After playing erratically at the start of the season, the team began league performance favorably with a 92-52 win over Foothill, which broke the old scoring record of 84 points. The only league competition came from the EB Blades, who handed the Drillers their sole league loss. BHS then came back to beat East 40-26 later in the season. In the third meeting of the teams, the Drillers overcame a large deficit to win the exciting battle in overtime and advance to the Valley Tourney. There they won two close games, but suffered a heartbreaking 50-49 defeat to Edison in the finals. Outstanding players for the year were Kim Stockton, Steve Thompson, Donovan Daniels, and Lew Martin.

Roughneck Cagers Devastate Opponents to Remain No. 1

Roughneck cagers had the finest season in their history. They had a season record of 22 wins and no losses and a league record of 10 wins and no losses. Coach Elkins' Roughneck quintet was an impressive starting five and had good bench strength. Carl Toney, Mando Gonzales, Charles Moore, and Monty Embry were the top scoring threats. Carl Toney was the leading scorer on the team with 12.2 point average and an average of 8.2 rebounds per game. The explosive team effort possessed by the Roughnecks made them the most feared JV team in the league.

Sandab cagers had a solid year in SYL competition. During the long season they had some top notch performances from Theo Magesby and Wayne Johnson. In tourney play, the Sandabs won the consolation championship at West High. Consistent play and a strong team effort paid off for the Sandab five. They had a 16 and 5 overall record and a 7 and 3 record in league for second place.

The Bits had an outstanding year as they hustled their way to first place. Top players for the Bits were: center and captain Andre Jackson; sharpshooting forward, Leon Francis; and, combining dribbling and shooting abilities, guard Art Williams. Coach Jacobus' squad had the winning spirit as they won 10 straight games between losses to Porterville and Foothill. The Bits had a 9 and 1 league record and a 19 and 3 overall record.

A good arm and excellent form combine to make a Driller pitcher.

In 1969, the J.V. baseball team had some bright, new stars. Top notch pitching performances came from Bob Gains, Kenny Watson, and Lynn Merrell. Solid defensive play was turned in by catcher Jon Crosby and second baseman Steve Diaz. Providing the hitting punch were Jim Zaben, Bruce Kroecker, Pete Flores, and Watson.

The Freshman baseball team adjusted well to high school baseball. The Frosh team had some good hitters in Ty Meyer, Troy McDowell, Bob Sherwood, Theopolis Bell, and John Parker. They had some fine pitching from Meyer and Steve Rogers. The Frosh combined explosive hitting and good pitching for success.

As another top-rated team, the 1969 BHS track team had another outstanding season, with Vernell Jackson, Donavan Daniels, McKinley Mosley, Terry Hilton and John Caldwell as some of the most outstanding performers of the year. Varsity, Junior Varsity and C class teams did an outstanding job in the triangular meets, with BHS winning all meets except one, and all three duals.

Winning Abilities in SYL Meets

The 1969 Driller Field Team compiled one of its finest seasons this year as they consistently provided the necessary points for Driller victory. Coach William Sandoval agreed that this year's team was complemented by great depth and balance with several outstanding performers. Outstanding individual performances were contributed by Gary Davis in the shot put, Prentice Woods in the discus, Donavan Daniels in the high jump, Bruce Holden in the triple and long jump, along with Mike Fussel and Jose Flores in the pole-vaulting event.

FIRST ROW: G. Cannon, K. Chatman, D. Warren, G. Lee, W. Foreman, D. Willoughby, T. Toliver, T. Tarver, B. Belcher, G. Davis, W. Williams, B. Wallace, B. Beaver, J. Drafton, H. Robinson, J. Phillips. SECOND ROW: J. Martinez, R. Lee, J. Garden, G. Lane, O. Roquemore, D. Wachob, J. Riccomini, K. Cason, R. Franco, F. Papion, N. Scaeles, M. Tumblin, unknown, T. Cox, R. Terrell. THIRD ROW: C. Fraley, B. Nolden, M. Embry, C. Mackey, D. Martin, J. Fletcher, E. Billingham, E. Schaub, W. Barker, T. Burk, L. Scott, L. Collier. FOURTH ROW: G. Pierson, W. Johnson, J. Flores, J. Stinson, D. Lewis, M. Casowell, C. Edison, J. Yniquez, G. Lake, D. Valdes, A. Higgins. FIFTH ROW: M. Fussell, S. Hicks, B. Clanton, P. Molinaro, P. Ganong, J. Cheever, B. Yourek, P. Woods, O. Owen, M. Hicks, K. Lane, M. Galaviz. SIXTH ROW: Mestmaker, M. Hardcastle, M. Bussell, B. Hamilton, T. Belcher, R. Reed, C. Oldham, R. Castleman.

LOWER FAR LEFT: Three Driller trackmen practice hard for an upcoming meet.

LOWER CENTER: John Caldwell and Benny Blair exhibit great strength as distance runners.

UPPER RIGHT: The high jump is a very hard, muscular, individual sport as Donavan Daniels demonstrates.

Ability and Ambition Yield Victory

The 1969 Boys' and Girls' Tennis Teams consisted of the same excellent quality of racketeers that has left them with many championship titles over the past few years. Consistently placing high in league standings has been a trait of the boys' tennis squad. Outstanding performances were turned in by Roger Almklov and Ted Paulsen, while fine racket-play was also displayed by Jeff Jackson and Geff Gould. Outstanding members of the girls' tennis team were Gloria Pananides, Tracy Macnair, along with the championship performance by Kathy Stinemeyer. Both teams had high expectations of repeating as league champions.

FIRST ROW: E. Stinemeyer, K. Stinemeyer, G. Pananides, B. Rademacher, T. Macnair, G. Pfister. SECOND ROW: E. Medders, J. McClain, E. Varner, T. Brown, L. Mitchell, L. Shipe, Miss Young—coach.

FIRST ROW: D. Choy, R. Welty, B. Moore, S. Smale, G. Millar, H. Pfister, Coach Betz. SECOND ROW: G. Gould, T. Paulsen, J. Jackson, E. Biggar, R. Almklov, Honorary Coach Dennis Ralston.

MIDDLE CENTER: Technique, timing, and plenty of skill are all traits of Driller racketeer Roger Almklov.

LEFT: Driller Ted Paulsen smashes a return to his opponent during a practice session.

FIRST ROW: S. Meyer, J. Hewitt, L. Patty, J. Hand, D. Bracke, K. Polson, L. Maxwell, B. Finnegan, R. Saecker. SECOND ROW: R. Gaines, D. Waldram, V. Lynn, C. Blodget, F. McKelvey, P. Mann, S. Stewart, L. Agabashian, M. Robesky, B. Coulter. THIRD ROW: K. Grant, M. Schulz, L. Lewis, S. Adams, P. Dauwalder, D. Galvea, C. Howlett, P. George, D. Crown, Coach Locher.

Desire and striving effort were the key devices needed to produce essential victory for the BHS Boys' and Girls' Swim Teams. The Boys squad, under the expert direction of Coach Jerry Lunsford, were upset by a strong North High team, but finished in a firm second-place standing. The Girls swim team, under the able direction of Coach Marian Locher, was constantly striving for excellence in every facet of competition. Outstanding members of the boys' swim team included Chuck Polson, Willie Wachob, and Eric Buscher, while leading girl swimmers included Barbara Finnegan and Kathy Polson.

UPPER FAR RIGHT: Strenuous workouts each day provide Driller swimmers with the skill and endurance needed to win essential meets.

UPPER MIDDLE: Two Driller swimmers look on as other teammates are competing in one of the many swimming events.

RIGHT: Three Driller mermaids compete against one another in the freestyle event as other members of the squad watch from the sidelines.

FAR RIGHT: Making crucial putts often meant victory for Driller golfers.

MIDDLE: Driller golfers soon found out that the driving range was a convenient place to loosen up for a match.

RIGHT: Rick Ewing demonstrates the proper way to blast out of a sand trap.

Golfers' Practice Produces Victories

Superiority in driving, putting, and good-sportsmanship were characteristics of the 1969 Driller Golf Team. The team, under the able direction of Coach Marvin Mosconi, constantly harassed opponents to remain among the leaders in SYL play. This year's squad included two returning lettermen: Rick Ewing and Brad Sloan. These two linksmen, along with Terry Maxwell, Joe Coronado, Brad Amerine, and Adrian Giovanetti, were consistently among the starting players. Practice sessions were held at Stockdale Country Club, North Kern, and the Royal Palms golf courses.

Organizations

Sherry Stelzner

Why did students join organizations this year? They might have found familiar faces in IRC or Opus I; they might have seen ways to spend their days in Band or Madrigals. Clubs are gatherings of people with common interests and aims, but clubs are only as alive as each of their members. A good club radiates unity, purpose and participation. . . .

Dedicated Staffers Compile '69 Oracle

A yearbook is a skillful combination of pictures and copy; to put out a good one the *Oracle* staff must work hard at a variety of jobs. This includes making layouts, writing copy, and cropping pictures. Staff members plan sales campaigns, organize class pictures, sell ads, and work closely with the photography class. This year some of the staff visited the publishing plant with their new advisor, Mr. Berning, and the photography advisor, Mr. Dennis. After a full year of work, the book finally comes out and the staff relaxes a little before planning for the next one.

Deeply involved in their daily assignments, Oracle staff members put in many hard hours in hopes of a successful yearbook.

Photography Class Provides Materials For Publications and Major Events

Mr. Al Dennis, photography instructor, and student Brian Lee check newly developed pictures fresh from the washer.

Members of the *Photography* class learn the proper method of taking and developing photographs. They put their knowledge to work by taking pictures at every major event of the year. Examples of their good work have been seen throughout the year in the Blue and White and can be seen in the Oracle. Students in *Photography* also produced the pictures used in the programs for Orchestra, Band, and Dramatics productions.

Inter-Racial Council Organizes Christmas Formal, Steak Bake

Our country is made up of many different nationalities and races. This fact has influenced the development of nearly every aspect of our lives. Our nation is a conglomeration of the languages, values, customs, religions, and politics of many other countries. In this atmosphere it is necessary for people to cooperate with each other.

The *Inter-Racial Council* of BHS attempts to improve relations between the main racial groups on campus and helps to promote understanding by sponsoring such events as the annual Christmas Formal and Steak Bake.

Thespians Present "The Playroom"

Los Amigos Host Enchilada Dinner

Los Amigos, a club created to promote unity between Mexican-American students, had several projects designed to raise money for their annual scholarships. The club held a noon sale, and joined other clubs on campus in beating the Future Farmers of America in their food drive. In March they held an enchilada dinner. Mr. Gregory and Miss Kurahara attended meetings and advised the club this year. *Los Amigos*, along with other nationality groups on campus, used projects and activities to bring students closer together.

Under the direction of Miss Tora Bartholomew, the *National Thespian Society* found this to be an action-packed year. Both traveling and acting comprised their activities. Dedicated to the purpose of experience in the theater during their secondary school years, the Thespians fulfilled their goal by participating in the following events: "The Playroom," held October 30-November 7; the Thespian Conference conducted at Los Angeles City College on December 14; and the Thespian Festival in Santa Barbara. The Student Body play, "Inherit the Wind," was presented from March 19 through March 21. During the second semester, they spent much time performing for English classes.

BHS students with the "gift of gab" became members of the *National Forensics League* by signing up for the forensics class and accumulating 25 points through participation in speech tournaments. Mr. Hough, the debate coach, encouraged and advised the speechmakers in tournaments such as the Claremont Men's College Invitational and the Stanford Invitational. 1968-1969 saw the Driller tradition of excellence in forensics carried on as it has been for the past forty years.

Vol. XLVI, No. 4 Bakersfield, California 93301 Wed., Oct. 23, 1968

Blue and White Keeps Campus Informed

The *Blue and White*, the official newspaper of Bakersfield High School since 1941, spent the year 1968-1969 publishing school news and items of student interest. The biweekly paper's staff also published several special editions, such as the Founders' Day edition and the special issue at the end of the year. The major extra curricular activity sponsored by the Blue and White staff was their annual dance after the East High football game.

Quill and Scroll, Ikon, CSF Seek Literary, Scholastic Excellence

Ikon, the annual literary publication, and *Quill and Scroll*, the honorary literary society, introduce students to better composition techniques. *Quill and Scroll*'s main project was selling used books, while members of the *Ikon* staff composed poems and short stories in endeavors to communicate their feelings creatively.

During the football season, members of the *California Scholarship Federation* madly dash about selling rooster ribbons. Also CSF members raise money for their club and bring further support to athletic teams by sponsoring an after-basketball game dance. These activities reflect the club's motto "Scholarship for Service."

Lively Participation Encouraged by Commissions

The development of a civilization can be measured by its artistic and governmental achievements. The *Cultural Activities Commission* involves itself with supporting student creative channels and commending exceptional talents at the Cultural Activities Award Evening. Thoroughly devoted to the smooth execution of a governmental process, the voting privilege, is the *Elections Commission* at BHS.

Of the utmost importance in the twentieth-century world of small distances and larger responsibilities are the realms of finance and international relations. The *Finance Commission* is concerned with school monetary conditions, covering budgets and fund distribution. Global brotherhood and understanding, achieved through student exchange programs, is the eventual goal of the *Foreign Exchange Commission*.

Commissions Direct Activities, Publicity, Welfare

The activities and goals of the "federation" of clubs on campus is the concern of the *Organization Commission*, whose membership is comprised mainly of club presidents. Because of the size of BHS, an effective system of communication is necessary, and the *Publicity Commission* helps with this communication "life-line."

Inspiring enthusiasm in the huge student body of BHS is a big job for the *Spirit, Rallies, and Assemblies Commission*. The maintenance of a clean campus and student safety standards, plus the "Stash your Trash" drive, occupied the time of the *Welfare and Safety Commission*.

Concerts Demonstrate Orchestra's Eminence

The sound of violins, flutes and French horns every day in Harvey Auditorium is evidence that the *Orchestra* rehearses often and long for its performances. Membership in the Orchestra gives the musically inclined person an opportunity to improve his talent while providing music for school and community affairs. In 1968 the Orchestra performed at the Pops Concert and the Christmas Pageant. Occasions for which music was performed in 1969 were the Modern Dance Concert and the Spring Concert; the Chamber Orchestra also gave a performance in April. The Orchestra maintained its traditional standard of excellence throughout the year.

Mr. Koshak, conductor of the BHS orchestra, tries to strike a spark of enthusiasm in celloist Peggy Dauwalder.

Driller Band Exhibits Marching Talent

The 1968-69 *Driller Band* proved its superiority over other local school bands with excellent marching and musical talents. The sound of a Sousa march and the effect of perfect formations on the football field boosted traditional Driller

spirit. One of the band's activities this year was a trip to the Selma Band Festival in Selma, California. There the band, led by drum major Brad Sloan, showed its excellence by winning the marching band event.

Music is truly a universal language. Through it we can depict a variety of moods and feelings. Members of *Madrigals* learn to do this through constant practice. They performed in the Christmas Pageant, the Spring Concert, and the CMEA, a statewide choral festival.

Concert Choir provided entertainment for both school and community functions by participating in the Christmas Pageant and the CMEA festival. They also gave a performance for the Junior League of Bakersfield.

Chorus Bring Enjoyment to Audiences

Girls must try out to become members of the *Advanced Girls' Glee* and must have talent and enthusiasm for singing; they use this talent to bring enjoyment to others. This year they participated in the Spring Concert and spread Christmas cheer to unfortunate people in hospitals. In spring they also at-

tended the CMEA choral festival. A common desire to sing and to improve and develop their voices unites members of the *Boys' Chorus*, whose major performance was at the Spring Concert. Through these two choral groups, students can learn to appreciate all types of music—from classical to contemporary.

The dancer learns to communicate moods by motions. A member of the *Modern Dance Club* endures painful exercise and much repetition of skills before she achieves grace and spontaneity in conveying her ideas. While perfecting technique, the dancer must also attempt to work creatively; by explosive actions, she learns to portray feelings of happiness and enthusiasm, or

Precision Marks Drillerette and Aquanette Performances

Stroking their way to practiced perfection, the BHS *Aquanettes*, the well-known synchronized swimming group, presented a production of show tunes and carefully planned water choreography in their annual Aquacade at the BC swimming pool. "New blood" was successfully introduced to the group in the form of their fledgling instructor, Miss Joan Conner.

Entering the stadium, proudly marching in straight precision and accompanying the band, the *Drillerettes* flash by in their snappy blue and white uniforms. The sight of the BHS marching drill team often confronted many loyal Driller fans during half-time at fall football games. Braving chilly winds, the Drillerettes consistently gave beautifully rehearsed performances.

Preparing themselves to march smartly across the playing field, the Drillerettes adjust their minds and their uniforms prior to their half-time performance.

Girls Interested in Homemaking And Teaching Plan for Tomorrow

Providing referees for Junior High competition, hosting the Track and Field Sports day and sponsoring a car wash brought variety to the *Teen Teachers* 1968-69 schedule. Their main purpose is to promote athletics for girls. Preparing girls to become education leaders and registering incoming freshmen were the tasks of *Future Teachers*. *Future Homemakers* this year put their artistic ability to work by painting benches and new trash cans which they purchased. The cans will be used to decorate the campus in blue and white. These two activities were combined as their service project. Money was raised by selling cook books and sweets at noon sales.

FFA and FBLA Prepare Students For Farming and Business Worlds

The 1968-1969 school year was one of reorganization for the Future Business Leaders of America, as the advisors, Mrs. Moore and Mrs. Crandall, were faced with a club composed mostly of new members. The climax of the year for FBLA members was the awards banquet, where outstanding business students were presented with scholarships.

Members of the *Future Farmers of America* can apply the information they learn in agriculture classes to practical projects and field work. The club renders services to the community, such as their annual "Canyon Clean-up" and their Christmas Food Drive, and also takes part in judging animals at the Fair and at other shows throughout the year.

Boys' Service Promotes Goodwill, Leadership

The *Boys' Service Club* of BHS provided talented boys with an opportunity to serve their school and community. Among their many services this year, the club supervised an athletic day at Millie Munsey School. These active boys gave many elementary school children a chance to improve their athletic abilities. Boys' Service also increased the enjoyment of football games last fall by publishing all of the programs for the games. The proceeds from program sales helped to furnish worthy students with scholarships. A steak bake was held for the enjoyment of the members late in the year.

Nancy Curry, Robin Bruns, and Susan Allen learn the procedure for making periodic deposits at **Paramount Savings and Loan Association**. The people at Paramount strive to find the proper savings account for any individual. Also the employees

assure the customers of suitable loans for every need. Paramount Savings exemplifies its willingness to serve the community with the daily recording of the time and temperature seen atop the Savings building.

Tina Wong and Chris Harthorn reveal the comfortable interior and hood of a 1969 Chevrolet Impala. **Three-Way Chevrolet** drives for perfection in style, comfort, and price in all new and used cars.

Parlier's Music Company sells all kinds of instruments for bands or individual musicians. Here David Stanton, Kenny Davis and Ron Johnson experiment with the electronic sounds of guitars and drums, popular with today's teenagers.

In Conclusion

1968-1969. Finished now, printed, paid for and passed around to those who lived the year at BHS. This book can always remind people of things they have forgotten . . . Remember screams of spectators at football and basketball battles. Remember melodies of violins and trumpets at concerts. Remember ends of afternoons whiled away in a sunny quad. Recall day-dreaming out of windows, rehearsing for plays, smiling at special people.

Now summer is here and students will leave the campus soon. What will happen to those who come back? That is a story to be recorded by next year's *Oracle* staff. What will happen to those who go away? We are wondering and curious now, wanting to know the faces of future days.

Acknowledgements

The *Oracle* staff would like to thank the following people for helping to put together the 1968-69 yearbook:

Mr. Robert Ozias of Lederer, Street and Zeus Co. for his concern in publishing the *Oracle*;

Ray Geer's Photography Studio for taking the senior pictures and pictures in the advertising section;

Gay Pfister and Cindy Oliver for the artwork;

Mr. John Johannsen for lettering on the cover;

The Finance Office and Student Store for handling *Oracle* sales;

Mrs. Stutzman and Mrs. Clark for giving the staff office supplies and necessary information;

Advertising patrons for helping to meet production costs of the *Oracle*.

Thanks goes also to Mr. Dwight Berning for advice and assistance to the staff.

Special thanks goes to Mr. Al Dennis and the Photography Dept. for the constant work of taking and processing *Oracle* pictures, and to Brian Lee for taking pictures of teams and clubs.
